Sept/Oct 2017

Dear Friends,

Thank you so much for your prayers and support. It is hard to believe that it is October already. The kids are well into their school year and doing well.. Eliza is in 10th grade, Elijah 6th grade, Ethan 3rd grade, and Evan is doing kindergarten work and learning to read. Both Lydia and I are taking Korean language classes. We appreciate your prayers as we seek to juggle school time with ministry.

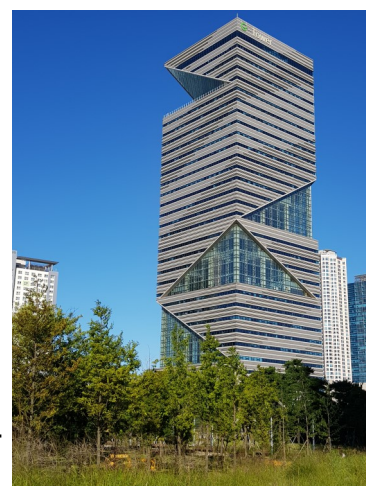

Thank you so much for your prayers for our summer outreaches and ministries. We had a blast assisting Toto Paclibar and Wonju Bethel Baptist Church at church camp this year. It was great to see God work. Then in early September, we had our first men's conference. We are looking forward to God doing great things through this ministry.

In late August, God opened the door for me to start a Bible study in an office building in our area. This office building is primarily used by government agencies, including the United Nations and as a result, has many international workers. Please be in prayer as we minister to the people that work here. Also, this past month, one of our young men came to me and asked for more Bible training. As a result, we have begun a second Bible study on Saturday mornings. Please pray with us about the possibility of further training for these men.

With October upon us, we begin to turn our attention to the holidays. We have a number of special outreach opportunities planned. We appreciate your prayers as we seek to reach our area for Christ.

For Souls,

Daniel Elliott
Missionary to Korea
