February & March 2018

Praise and Prayer:

After recently returning for a time of furlough, God has made us aware of needs unknown to us. I have had two surgeries and Mary has been to consult various physicians. We are both feeling better although Mary must needs be treated for various health problems. We are thankful to God for your continued prayers as our Lord works in and through these things for His glory and our well-being.

News from the Field:

Pastor Jose Barros of the Calvary Baptist Church in Vigia, Pará broke his foot but, from lack of funds to be treated properly, his wife, Julia, set his foot and leg in a cast with the result producing for him more difficulty and pain. Well, she did it all again and the second time it is working better, praise the Lord! We ask your prayers for these faithful servants of God.

The Bible Baptist Institute of the North is in recess from it's last module but the students are still finishing documents for that discipline and preparing ones for the next one in March. The students are encouraged.

Our annual Spiritual Family Retreat starts today, Saturday the 10th of February. It is held each year as the national populous celebrates the final week of the ungodly and perverse "Carnival" of Brazil. Many lost souls will die and wake up in hell as it's reward.

Hitting the Road:

I plan to begin a month and a half road trip on the 17th of February. I hope to report to supporting churches in Texas, South Dakota, Nebraska, Iowa and Kansas. Please be in prayer as Mary will not be able to accompany me on this leg of the journey. She will remain at home with our daughter, Tanya, and family. Please pray with me that many will be encouraged in their faith toward God in missions for the souls of men and women at home and around the world. Please pray, also, as the road conditions are forecasted to be bad and the weather inclement going north.

Gratefulness to God:

Our faith and trust is in God Who always supplies our needs and has commissioned us, His local New Testament churches, to be His Plan to reach the people groups of the world with the treasure of the Gospel of His Son, our Lord Jesus Christ. Your church staff, your local soul winning teams, national evangelists and foreign missionary families are ambassadors, working and serving together for and through Christ Jesus to bring "...many sons unto glory...! To Him be all Honor and Glory now and for evermore. Thank you for making us a part of your international team - going where the many could not. Thank you for your faithful prayer and financial investment for the souls of many in Brazil.

In Christ,

Bill and Mary
