Shortly after our last letter we sent out, Lori went down to be with her sister Sarah in Brazil for about month. She went down to be a help to them during a tough time of Sarah's pregnancy. Thank you all who knew and had prayed for her. Lori after many hours of travel had made it back to the states safe but exhausted.

Christian fellowship after church in Brazil

Our last two months started out rather busy with Amber's (Lori's younger sister) wedding in Indiana then to Minnesota, and Lori flying to Brazil from there. Then traveling to meetings in Kansas, Oklahoma, then to Texas. We are thankful that we were able to settle down for a while and stay in one place in Texas. But again in just a couple days we will be packing up again and heading out for New Mexico, Colorado, then up to Minnesota for a little bit and to Michigan late September.

I want to mention a special thanks to the children at Emmanuel Independent Baptist Church, Pastor Cooke in Colorado Springs. For raising \$549 to go towards the purchase of camp land in Brazil! Thank You! Also to those of you who have bought Lori's soy candles online or in person! We have about \$3000 saved up and set aside now for land! Our "goal" is 60K. It might seem like we still have a ways to go but don't forget who owns the land we are hoping to buy. Money is of no value to God, and He always gives the best deals! 3K may already be more than we need.

As always, thank you for your prayers and partnership

Corey and Lori Meier
